

# REPLENISHMENT PLANNING

**Be Supply Chain Invincible** by stocking the right inventory, at the right place, at the right time.

## PRECISELY ALIGN YOUR INVENTORY WITH YOUR DEMAND

Give your buying teams greater insight and confidence into their purchasing decisions so you can nail it every time. Blue Ridge's Inventory Replenishment Planning automatically calculates your inventory orders, down to the day, in the most economical way possible.

## COMBINE THE ART & SCIENCE OF REPLENISHMENT

Blue Ridge's Replenishment Planning tool generates complex inventory orders up to 365 days in advance. This empowers your team to focus on their strengths like strategic category management or supplier negotiations. By combining the analytical expertise of Blue Ridge's technology with the skills of your workforce, you unlock the potential for significant revenue growth.
